DEPARTMENT OF TOURISM

PHILIPPINE RETIREMENT AUTHORITY

07 June 2021

Dear Retiree-members,

I am very much delighted to inform you, that you may now return to the Philippines without securing the DFA Entry Exemption Document (EED).

As per the IATF Resolution No. 119, series 2021, dated 03 June 2021, Special Resident Retiree's Visa (SRRV) holders shall be allowed to enter the country without need of an Entry Exemption Document (EED).

I know that there are those of you longing to come back to be reunited with your families, to continue your businesses, to check on your investments and properties, and to be just home.

Just be reminded that upon returning to the Philippines you must present your valid SRRV ID at the Bureau of Immigration Arrival Counter and comply with the minimum health protocols. Just like all incoming foreign nationals you are still subject to the IATF guidelines on the limited number of arrivals allowed in the ports of entry.

For those of you planning to go out of the Philippines, please be advised that you need to secure the PRA Travel Pass, one week prior to the date of your departure.

Kindly visit our website at www.pra.gov.ph and facebook page at PhilippineRetirementVisa for updated information.

Thank you and always stay safe.

Very truly yours,

BIENVENIDO K. CHY
General Manager
